### A New Way to Use Your NAS's Local Display: ASUSTOR Portal

Connect your NAS to your TV via HDMI and immediately access ASUSTOR Portal. Further combine it with an audio amplifier and experience the crystal clear sound of high resolution multi-channel audio.

### Electrifying Multimedia with Kodi

Open up ASUSTOR Portal and Kodi and choose the movie you want to watch!

### Optimized YouTube Performance

Watch 1080p videos on YouTube without any delay via Chromium's hardware acceleration.

### Choose Any Website You Like with URL-Pack

Provides a variety of popular streaming video websites and social media platforms including Netflix, Plex, Facebook, Instagram and more.

### Classic Fun

Download video game system emulators (SNES9X, PPSSPP) from App Central and enjoy a blast from the past!

## Seamless Streaming to all Devices

Install additional multimedia server Apps such as UPnP Media Server, iTunes Server and MiniDLNA giving your NAS the ability to stream multimedia content to your computers, TVs and mobile devices.

## Photo Gallery Keeps Your Memories Alive

Photo Gallery allows you to create a web album to display photos and videos from your NAS.

The album and browse viewing modes, support for multi-level folder structures and sorting easily keep your photos and videos organized. The interactive comment section and one-click sharing to social media allows you to stay connected and share with family and friends. The free AiFoto mobile app also provides instant backup of any photos you take.

## Watch Your Collection With LooksGood

Create a multimedia database in 3 easy steps. Scheduled digital TV recordings ensure that you will never miss your favorite shows again. Support for real-time transcoding ensures a smooth online playback experience.

Exclusive Hyper-Transcoding technology provides a tenfold increase in file conversion speeds allowing multimedia files to be smoothly streamed to AiVideos on your phone. You'll never be bored on your commute again!

## Non-Stop Audio Enjoyment With SoundsGood

SoundsGood has collected all your favorite songs and albums for you. Share your favorite playlists with friends and stream music directly from your NAS to your mobile device after installing the free AiMusic app.
